

1.2 To Dr. John Shewchuk BE, MSc, PhD, P.Eng.

Full Professor of Mechanical Engineering.

For his contribution to public safety through his research in the area of fatigue related to transportation structures and break-away lamp standards.

- for arrangements he made, in spite of difficulties involved in scheduling class time, for the series of lectures by practicing Engineers over several years to undergraduate students.
- for service to the public and the Association through swimming instruction and leadership to the Glee Club.
- for six years service on the Associations Board of Examiners.

2.0

MERIT AWARD

The terms of reference upon which Merit is judged are:

1. A contribution to the literature showing outstanding scholarly achievement.
2. Magnitude of works successfully completed.
3. The pioneering achievement in fields of engineering or of engineering application.
4. Outstanding public service.
